

# **In Vivo Cellular Dynamics imaged using Adaptive Optics Lattice Light Sheet Microscopy**

*Tuesday, 14 August 2018 17:00 (15)*

## **Affiliation**

## **Terms and Conditions**

**Primary author(s)** : UPADHYAYULA, Srigokul (Harvard Medical School)

**Presenter(s)** : UPADHYAYULA, Srigokul (Harvard Medical School)

**Session Classification** : Cell biology applications of light sheet microscopy

**Track Classification** : Light sheet fluorescence microscopy
