

10th Anniversary Light Sheet Fluorescence Microscopy Conference

Monday 13 August 2018

Light sheet hardware 2: Light sheet hardware 2 (11:15-12:45)

time	[id] title	presenter
11:15	[88] Flamingos for you and me	Dr HUISKEN, Jan
11:30	[89] Lightwedge and Lightsheet-Raman Microscopy	Prof. HEINTZMANN, Rainer
11:45	[81] Light sheet microscopy in Nature Methods	STRACK, Rita
12:00	[22] Fast nearly isotropic imaging of large samples with light sheets beyond the diffraction limit	Prof. DODT, Hans-Ulrich
12:15	[70] Focused-light-induced cytoplasmic streaming (FLUCS). A new paradigm to probe the physiology on intracellular transport.	KREYSING, Moritz
12:30	[65] 12 years with Light Sheet Microscopy in core imaging facilities on Dresden campus	Dr PEYCHL, Jan
